## NEW COLORS ADDED

### IIMAK PRESENTS MORE COLORS TO THE RAINBOW OF CHOICES

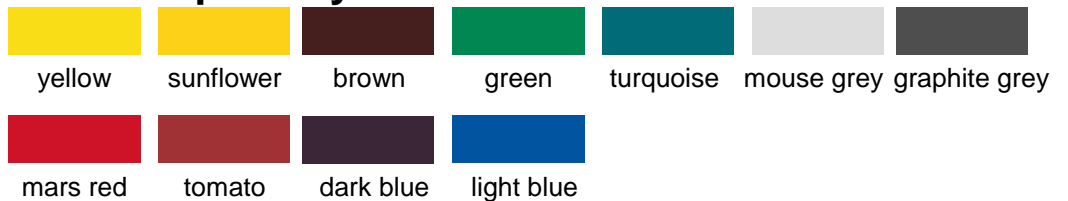

- Don't see what your looking for? Contact your sales rep for custom color options.
- Assures quick visual recognition for coding, stocking, tracking and retrieving merchandise.
- Applications include color coding, inventory tracking, short run prime labeling, item matching, promotions, on-line flexible packaging.
- Available in flathead and near edge printers, single or multi-head.
- Various levels of durability.

We've doubled our color offering for tag and label variable printing! Here's a look at what's new:

### DC200 Specialty— Wax Resin

### DC300 Specialty—Resin

### NET Specialty— Near Edge Wax Resin

**Contact your sales rep for a free sample.**
